**Gunther International to Introduce “Invisible Mail Inserter”
At National Postal Forum**

NORWICH, CONNECTICUT – March 14, 2007– Gunther International Inc. (OTC Pink Sheets: SORT), a leading provider of technology and production mail equipment to the mailing industries, announced today that the Company will be exhibiting the world’s first “Invisible Mail Inserter” at the National Postal Forum in Washington, DC, March 25-28, 2007. At the show, Company representatives will demonstrate how its customers—including seven of the nation’s top ten insurers—are optimizing efficiencies and realizing measurable cost savings using Gunther’s advanced mailing technologies. To find out more about the “Invisible Mail Inserter,” visit Gunther International at booth #814 at NPF.

Also at the National Postal Forum, Gunther executives will be available to speak about the recently introduced Champion Operating System, a Windows-based, easy-to-use platform that facilitates more accurate management and control of high-volume mailing systems, enabling system devices to achieve maximum speeds.

About Gunther International

Founded in 1981 and headquartered in Norwich, Connecticut, Gunther International designs, manufactures and services high-speed production mailing systems to organizations that define professional customer communications as an integral part of their business. This includes insurance, healthcare, financial, utilities, pharmaceutical, service bureaus, government agencies and other companies that have a vested interest in

maintaining guaranteed integrity in their mail processing. Gunther International is publicly traded on OTC Pink Sheets under the symbol "SORT." Additional Company information is available at www.guntherintl.com.

Statements in this release concerning Gunther's business outlook, future financial and operating results, and overall future prospects are forward looking statements that involve a number of uncertainties and risks. Actual results could differ materially from those anticipated in those forward-looking statements as a result of certain factors, including: general economic conditions globally or regionally; business and economic conditions in the mailing industry; changes in overall technology spending; increases in competition; the timing of orders and their fulfillment; availability and cost of key parts and supplies; ability to establish and maintain relationships with customers; variations in the expected mix of products sold; changes in customer mix; customer and industry analyst perceptions of Gunther and its technology, products and future prospects; delays in scheduled product availability; market acceptance of our products and services; rapid technological and market change; adoption of regulations or standards affecting our products, services or industry; the ability to successfully acquire, integrate and manage businesses and technologies; product defects, returns or vulnerabilities; the ability to recruit and retain key personnel; currency fluctuations; and litigation; and other factors listed in our most recent audited financial statements. All statements made in this press release are made only as of the date set forth at the beginning of this release. Gunther undertakes no obligation to update the information in this release in the event facts or circumstances subsequently change after the date of this press release.
